You're welcome to bring your power chair or push chair to get around the centre & to the beach

WHAT?

Campers will be grouped according to their age and gender and will be looked after by experienced carers who have attended our camps before. There are a variety of activities to choose from that suit all ages, personalities and abilities.

Laser Tag • Swim at Collaroy Beach • Taronga Zoo • Manly • and much much more!

WHO CAN COME?

Our Adventure Camp caters for those with a neuromuscular condition who would benefit from trying new things and meeting new people. It is open to young people **6-18 years** who have some level of independent mobility.

How MUCH WILL YOU PAY

\$120 this is an administration fee paid by you and is not covered in your NDIS package.

NDIS FUNDING

MDNSW no longer receives government funding to run our camp program and now relies solely on funding through each camper's NDIS plan. Please review your plan now to ensure there is sufficient funding allocated in the CORE supports area of your plan to pay for camp.

If you are in the process of getting ready for your plan review, we can provide you with a quote for camp so you can request the funding needed.

The cost of the camp will come from your NDIS plan in the CORE supports area.

Please contact us if you're unsure if you have funding for camp in your plan.
